TIMBER SALE AGREEMENT

THIS AGREEMENT entered into this **26th** day of **January 2011**, between Weyerhaeuser NR Company of 4111 West Four Mile Road, Grayling, MI, 49738 hereinafter called the PURCHASER, and Village of Roscommon, P.O. Box 236, Roscommon, MI 48653, c/o Timothy Sadowski, Village Manager and Jesse Carlson, Village President, hereinafter called the SELLER.

WITNESSETH:

Article I

The SELLER agrees to sell to the PURCHASER standing timber on a tract of land situated in the County of **Roscommon**, State of Michigan, and located on the property of the SELLER described as: **T24N-R2W, Section 7 see attachment**. The SELLER guarantees title to said timber and agrees to hold PURCHASER harmless from any liabilities as to any legitimate encumbrances against his title, and agrees to further defend any and all claims at SELLER'S expense. It is the responsibility of the SELLER to point out to the PURCHASER all the property lines and/or corners. It is the responsibility of the PURCHASER to stay within said boundaries.

Article II

The PURCHASER agrees to cut and remove said timber in strict accordance with the following conditions:

1. Unless extension of time is granted, all timber to be cut and removed will be so cut and removed on or before **May 15, 2011**. In the event that inclement weather makes logging impossible, uneconomical, or will cause excessive site damage due to the weather conditions (such as excessive rutting, road damage, or damage to the residual stand), or if SELLER asks PURCHASER to postpone logging for any other reason, this contract will automatically be extended by one year.
2. Activities of PURCHASER on SELLER'S land shall be in conformity with good forestry practices and all applicable laws and regulations.
3. PURCHASER accepts all liability and legal or other expense or action whatsoever, direct or indirect, resulting from any and all claims for any personal injury or death or for any damage to property of employees, agents or servants or for damage of others arising from, growing out of, or in any manner directly resulting from logging operations.
4. PURCHASER shall deliver to SELLER evidence of worker's comprehensive and general liability insurance coverage for employees, agents, servants and property.
5. PURCHASER shall receive approval from SELLER for location of any new roads and/or landings. Existing roads shall be left in a condition as good as, or better than, their present condition.
6. In the event it is necessary to cross the lands of a third party to gain access to SELLER'S timber; SELLER assumes the responsibility of securing the right of way across the land of the third party, unless PURCHASER agrees, in writing, to secure access.
