

Village of Roscommon  
Cemetery Board of Trustees  
January 20, 2011  
12:00 PM

Members Present: June Karjalainen, Mike Butler and Erine Adams. Also present, Kirk Bradley, Steve Anderson, Dawn Dodge, Village Clerk, and Tim Sadowski, Village Manager.

Discussion with DNRE about purchasing state land for the cemetery (see attachment).

Steve Anderson: The property is under timber sale with Chris Muma to remove all the jack pine and oak from the property. The contract expires 6/30/12 and can be extended by another two years.

There is a snowmobile trail and the cemetery would have to stay north of the existing trail.

The first step would be for the Village to submit an application to be reviewed. The process will take, at minimum, one year.

The second step would be a survey and an appraisal, to be paid for by the Village.

Manager Sadowski is going to submit an application.

Next Meeting: Will set when needed.
