Village of Roscommon

Recreation Committee

Minutes
October 23, 2014

Committee Members Present: Diane Lippert, Sue Jock, Connie Allen, and Bruce Yannatta.

Committee Members Absent: and Mike Looney, Kate Massara

Others Present:

The meeting was called to order at 4:00 PM by chairman Yannatta.

Motion by Lippert, supported by Allen to approve the minutes of the July 31, 2014 meeting.
Motion passed.

There were no public comments.

Hilltop

Further searching finds that the property is owned by one entity but leased then managed by another. Erine Adams met corporate people at an event at Hilltop and they are aware of the project. Email to Bruce Yanatta that their was concerns of liability with the easement. As of yesterday email from Klaus that he still after several attempts has not been able to contact Rich Jurbala.

Bike racks purchased (4) by the DDA, currently stored at the DPW garage.

Future Projects

Snowmobile / ORV

Over the past year the Committee has researched, communicated and assessed current snowmobile/ATV routes. There is currently no opposition with MDOT with routes and in recent meeting with MDNR they currently are in early phases of proposing a Rosco-Higgins Route that was the same as the committee concluded. At this time we will request at the next village meeting to change the snowmobile/ATV route from M76-Ballanger, left down Main, over M-18 then down Main out of the Village limits.

Motion by Yanatta and supported by Allen to adjourn.

Meeting adjourned at 4:18 PM.
